RE: Replacement of MRI Unit Located at:  
MidState Medical Center – Main Campus  
435 Lewis Avenue, Meriden, CT 06451

Dear Ms. Martone:

MidState Medical Center has recently entered into a lease agreement with Insight Imaging to replace the existing Siemens Magnetom Symphony MRI unit located at 435 Lewis Avenue in Meriden CT, with a Magnetom Aera 1.5T whole body MRI imager. The effective date of this new agreement is January 1, 2011. There will be no increase in the per scan fee associated with this new lease.

The Magnetom Symphony MRI unit was authorized by the Office of Health Care Access under Docket Number 97-541R, and Modification of Docket Number 92-555, Veteran's Memorial Medical Center and Signal Services, Inc.

Insight Imaging will replace the Hitachi Open Field MRI in use at Meriden Imaging in Cheshire, CT with the Siemens Magnetom Symphony MRI magnet taken out of service from MidState Medical Center. Please see attached letter from Meriden Imaging.

Please do not hesitate to contact me if you require additional information.

Sincerely,

Barbara A. Durdy  
Director of Business Development

RE: Replacement of MRI Unit Located at:  
Meriden Imaging dba Radiology Associates  
680 South Main St, Cheshire, CT 06410

Dear Ms. Martone:

Meriden Imaging, dba Radiology Associates, has recently entered into a lease agreement with Insight Imaging to replace the existing Hitachi Open High Field MRI unit located at 680 South Main Street in Cheshire CT, with the Siemens Magnetom Symphony MRI taken out of service at MidState Medical Center. The effective date of this new agreement is June 1, 2011. There will be no increase in the per scan fee associated with this new lease.

The Hitachi Open High Field MRI unit was authorized by the Office of Health Care Access under CON Determination Report Number 09-31410-DTR.

Insight Imaging will dismantle and dispose of the Hitachi Open High Field MRI currently in place at the Cheshire location. Please see attached letter from MidState Medical Center.

Please do not hesitate to contact me if you require additional information.

Sincerely,

Gary Dee, MD
